

SUPPORT THE 2009 **MID-STATE FAIR JR.** **LIVESTOCK AUCTION**

The **San Luis Obispo County Farm Bureau** in partnership with it's board of directors, officers and membership are dedicated to supporting youth in agriculture. Contributions to this support group will help kids selling at the **California Mid-State Fair Jr. Livestock Auction** receive a fair price for their project animals. This program has been successful in years past through solicitation exclusively from Farm Bureau board members. **TODAY**— we ask for **your** help in supporting this fund's continuation in 2009!
